

GUIDE PROFILES & CHANGE PARTS

Our motto puts our existence in almost all segmented industries like PACKAGING, FOOD, PHARMA & BOTTLING INDUSTRIES , GLASS & CERAMICS, MATERIAL HANDLING INDUSTRIES, TEXTILES, CHEMICAL & FERTILIZERS, AUTOMATION & Much more.....

We manufacture customised change over parts like Starwheels , Infeed worms, Outfeed guides, Chain guides, customised profiles, cams, rollers & many such parts

SPROCKETS & IDLERS

CURVE TRACKS & GUIDES

Corner Tracks or Corner Bends as they are popularly called, provide a very convenient alternative to the earlier methods of conveying product on different conveyors laid out at 90 degrees to each other. These Corner Tracks simplify the design of construction of the conveying system, eliminating the need for cumbersome and expensive two conveyor transfer systems. Corner Tracks can be manufactured in Single Lane or Multiple Lane design for all types of Chains. Material of construction is UHMWPE, which provides a low friction and wear resistant surface for smooth conveying while prolonging the life of the chain as well as the corner track.

Chain Width 3.25"(82.5mm)
Track Pitch(p) 85mm

Part No.	CR1(mm)	Tracks	A(mm)	H(mm)
